OXC UPDATES FOR 2019

New this year, to earn points for high point year end awards and to qualify for OXC Provincial Championships, rider/horse teams must attend 6 OXC Races. Your top 5 scores will then count for year-end high points. Each OXC sanctioned race will be considered as one single score toward OXC year-end awards and Provincial Championship qualification. For EXCA members collecting points for the EXCA Worlds, if an OXC race is declared to be a "Sanctioned EXCA Race" you will be able to take full advantage of the extra points.

OXC Provincial Finals will be at Ancaster Fairgrounds, October 25th & 26th. As well OXC is offering a Futurity for 3 & 4 year old horses at the Finals! Please see details on how to enter at the OXC website under the 'Events' tab.

OXC is encouraging English riding friends to try our sport! English tack will now be allowed (with some restrictions) into the Novice Division only, at select OXC races. English tack will not be allowed at OXC Provincial Finals or Championship Races. Please inquire on further details and rules if you are considering using an English saddle to race.

OXC is excited to offer for the first time ever, the Eastern Canadian Championships, April 28th, in Hannon, ON. This is a 5x EXCA pointed race. There will be events through the weekend including a clinic with judge Bill Cameron on Saturday. See the OXC website for details under the 'Events' tab.
